Relevant Coursework

- Machine Learning
- Data Structures & Algorithms
- Artificial Intelligence
- Database Management Systems
- Software Engineering
- Web Development

Education

B.Tech in Computer Science Engineering (2022–2026)
Nutan College of Engineering and Research, Pune

HSC — Janta Junior College, Nanded (90.17%)

SSC — Blue Bells English Medium School, Nanded (91.80%)

Certifications

- Python Programming – AI Adventure Pune
- Frontend Development – LinkedIn Learning
- Communication Skill – TCS iON

Achievements

- Developed AI-Based Interview Evaluation System
- Successfully built and deployed live client websites
- Worked on ERP implementation and client onboarding
- Improved software quality through testing and debugging

Strengths

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Fast Learner
- Communication Skills
